

All revenues will be used to buy presents for vulnerable children in our community. Our children don't run for themselves, they run to give presents to other children who need some extra love during the Holidays. For more information or verification please check our website <u>www.risctakers.com</u> or send an e-mail to <u>info@risctakers.com</u>. We will inform you via our website about the amount collected and the purpose for which the money was spent.

Runs are 30 minutes max, depending on the age category. The lap distances are 100 (U7), 150 (U9) and 200 meter (U11). Date and Location: Tuesday, December 15 at 5.30PM, Raoul Illidge Sports Complex <u>Collection deadline is Thursday, December 17.</u>

Our children run more laps than you think! Sponsor them per lap to encourage them to run as much laps as possible, but to prevent unwanted surprises we advise you to maximize the amount of your sponsorship!
